[REDACTED] informs me that [REDACTED] the young man we wanted from MIT, failed his physical. [REDACTED] is currently in the process of a superswift 30-day clearance. [REDACTED] and Wheelon are of the opinion that he is going to go into one of three jobs in OSI at GS-15 rating. I would certainly like to get him aboard here if we could. Do you want to make the next move on him?
